Hello Travis

I was able to discuss the processing with my analyst that is on this case and right now we are striving for a release to you by the end of September. We have a very large litigation load this month and all available resources are tied up. However, it remains high on our priority list to complete in between our litigation deadlines. We will certainly do our best to get to this as soon as we have availability and I'll be in touch if anything changes.

Thank you much for your understanding in working with us on this and let me know if you all need something specific before the end of September.

Hello (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C)

Thanks again for joining us on the teleconference today and talking through the prioritization of two of the three FOIAs that are with DOJ/FBI for consultation.

### Priority List

1. Kory Langhofer February 22, 2018, request (GSA-2018-000815) regarding GSA's response to a request from Ron Johnson. I have attached GSA's FOIA response letter and the three (3) responsive documents. Please note that the responsive GSA letter to Ron Johnson has two proposed redactions. As we agreed, you will provide us with any feedback on the responsive documents or FOIA response letter **by Monday COB (Monday August 13th)**.

2. FOIA request GSA-2018-000585. GSA initiated the consultation with DOJ/FBI in January 2018. On February 2, 2018 and February 16, 2018, GSA released the first two batches of responsive documents after receiving DOJ/FBI concurrence. We still have approximately 700 pages to release. As we discussed, you expect to finish your review and provide GSA with approximately 350 pages **by August 17, 2018**.

3. FOIA request GSA-2018-000891 received by GSA on March 27, 2018. In this request, the individual has asked for all communications, emails, and documents to and from the DOJ and FBI in regards to FOIA request GSA-2018-000362 and the appeals of GSA-2018-000713 and GSA-2018-000782. I provided (b) (6), (b) (7)(C) and Bobby with the responsive documents for review on March 29, 2018.

Thank you again for time and attention to these matters. If anything has gotten lost or you need another copy of anything, please do not hesitate to ask.

Hi Travis,

Hope you are having a good evening. I just wanted to update you regarding the status of the consultation. We have sent the documents to FBI for finalizing. There are a few issues that I will need to confer with FBI on, so I'm not sure of the exact timeline, but I believe the documents are very close. I unfortunately am out of the office with no access to email tomorrow through the weekend, but I will confer with the FBI and touch base with you early next week. Thank you for your patience and for consulting with us, and I hope you have a great holiday weekend.

Thanks again,

Hello (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C)

Thanks again for joining us on the teleconference today and talking through the prioritization of two of the three FOIAs that are with DOJ/FBI for consultation.

### Priority List

1. Kory Langhofer February 22, 2018, request (GSA-2018-000815) regarding GSA's response to a request from Ron Johnson. I have attached GSA's FOIA response letter and the three (3) responsive documents. Please note that the responsive GSA letter to Ron Johnson has two proposed redactions. As we agreed, you will provide us with any feedback on the responsive documents or FOIA response letter **by Monday COB (Monday August 13th)**.

2. FOIA request GSA-2018-000585. GSA initiated the consultation with DOJ/FBI in January 2018. On February, 2, 2018 and February 16, 2018, GSA released the first two batches of responsive documents after receiving DOJ/FBI concurrence. We still have approximately 700 pages to release. As we discussed, you expect to finish your review and provide GSA with approximately 350 pages **by August 17, 2018.**

3. FOIA request GSA-2018-000891 received by GSA on March 27, 2018. In this request, the individual has asked for all communications, emails, and documents to and from the DOJ and FBI in regards to FOIA request GSA-2018-000362 and the appeals of GSA-2018-000713 and GSA-2018-000782. I provided (b) (6), (b) (7)(C) and Bobby with the responsive documents for review on March 29, 2018.

Thank you again for time and attention to these matters. If anything has gotten lost or you need another copy of anything, please do not hesitate to ask.

Hello Travis-

My analyst is wrapping up incorporating the feedback from (b) (6), (b) (7)(C) we have received. I know one question my analyst wanted to clarify pertains to redactions to be taken by GSA. The documents have several open boxes applied

to the material and we just wanted to be sure these reflect the redactions GSA intends to take? Some of the material has sensitivities that don't really pertain to FBI equities, but we just want to make sure we are being consistent with the approaches.

Thank you very much,

Hi Travis,

Hope you are having a good evening. I just wanted to update you regarding the status of the consultation. We have sent the documents to FBI for finalizing. There are a few issues that I will need to confer with FBI on, so I'm not sure of the exact timeline, but I believe the documents are very close. I unfortunately am out of the office with no access to email tomorrow through the weekend, but I will confer with the FBI and touch base with you early next week. Thank you for your patience and for consulting with us, and I hope you have a great holiday weekend.

Thanks again,

(b) (6), (b) (7)(C)

Good morning Travis,

I'm not sure if you received my voicemail message yesterday afternoon, but to answer your question, I believe we are very close to finalizing this production. Right now, I am anticipating clearing it no later than tomorrow. I'm sorry we haven't been able to get it to you earlier, but I am actively trying to finalize it. Please don't hesitate to give me a call if you have any questions.

Thank you,

Thanks again for the call and update last week. Do you have any further updates as of today for Item #2? When is the new anticipated completion date of this portion of the consultation?

Thanks, Travis.

Hello (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C)

Thanks again for joining us on the teleconference today and talking through the prioritization of two of the three FOIAs that are with DOJ/FBI for consultation.

### Priority List

1. Kory Langhofer February 22, 2018, request (GSA-2018-000815) regarding GSA's response to a request from Ron Johnson. I have attached GSA's FOIA response letter and the three (3) responsive documents. Please note that the responsive GSA letter to Ron Johnson has two proposed redactions. As we agreed, you will provide us with any feedback on the responsive documents or FOIA response letter **by Monday COB (Monday August 13th)**.

2. FOIA request GSA-2018-000585. GSA initiated the consultation with DOJ/FBI in January 2018. On February 2, 2018 and February 16, 2018, GSA released the first two batches of responsive documents after receiving DOJ/FBI concurrence. We still have approximately 700 pages to release. As we discussed, you expect to finish your review and provide GSA with approximately 350 pages **by August 17, 2018**.

3. FOIA request GSA-2018-000891 received by GSA on March 27, 2018. In this request, the individual has asked for all communications, emails, and documents to and from the DOJ and FBI in regards to FOIA request GSA-2018-000362 and the appeals of GSA-2018-000713 and GSA-2018-000782. I provided (b) (6), (b) (7)(C) and Bobby with the responsive documents for review on March 29, 2018.

Thank you again for time and attention to these matters. If anything has gotten lost or you need another copy of anything, please do not hesitate to ask.

Travis
